

Detector Óptico de Humo Autónomo

Reference: TSS380C-HR
Product code: 21123008
EAN code: 8429898030623

Main characteristics

- Certified in accordance with EN 14604:2005/AC:2008.
- Finished in white ABS plastic.
- Easy cleaning and maintenance of the detection chamber.
- Power supply voltage: two 1.5 V AA alkaline batteries (included).
- Incorporates thermal element, test button and indicators.
- Indicator lights for supervision, status, error and low battery.
- Device with wireless connectivity, 40 devices max.

More information

Specifications	
Technology	Via Radio
Type	Optical
To	Optical detector
Action indicator output	No
Relay contacts	No
Incorporates base	Yes
Type Function	Standalone
Use	Indoor
Dimensions - High (mm)	30
Dimensions - Width (mm)	35
Dimensions - Diameter (Ø)	117
Weight (kg.)	124
